CJM COMMUNITIES TO DEVELOP LUXURY TOWNHOME COMMUNITY IN BOCA RATON

CJM Communities has recently received approval from the City of Boca Raton for development of a 55-unit luxury townhome community, "Addison Park," to be located in eastern Boca.

Addison Park will feature 3-story luxury townhomes in a private, gated setting. Here, residents will discover a community that offers the very best in luxury, lifestyle and location.

"We wanted to bring a neighborhood to Boca Raton that reflects the area's beauty and sophistication," said JJ Hrzich, Director of Sales and Marketing for CJM Communities. "Addison Park will be the perfect complement to Boca Raton."

Homebuyers will be able to choose from two innovative, spacious floorplans offering 3 bedrooms, 2 full baths and 2 half baths, beautiful balconies, 2-car garages and up to 2,246 square feet of air-conditioned living space.

Showcasing a sleek urban design, these luxury townhomes embrace the true look and feel of urban living. Each home will display stylish and modern features including: gourmet kitchens with granite countertops, stainless steel appliances and 42" raised panel wood cabinets, luxury bathrooms with roman tubs in master baths, ceramic showers with listello accents, and recessed lighting.

Beyond the doors of these gorgeous townhomes, homebuyers will discover an unparalleled lifestyle. Within the community, residents can enjoy a refreshing swim at the resort-style pool with cabana, or take a stroll through the beautiful urban park area. Professionally designed landscaping throughout the neighborhood provides picturesque backdrops for residents, whether they are sun bathing at the pool or relaxing on their balcony.

Centrally located within Boca Raton, Addison Park is literally just minutes away from the best of Boca, including pristine beaches, golf courses, designer shopping, fine dining, art museums, nightlife and much more.

"Addison Park residents will truly live the upscale lifestyle that Boca is known for," said Hrzich. "At Addison Park, homeowners will understand what it means to live in true luxury."
