

## **CJM Communities Cystic Fibrosis Walk-PR**

CJM Communities recently helped sponsor the Reach For The Stars Foundation's very first Cystic Fibrosis Walk at Mizner Park on Saturday, May 6. The walk raised money to help individuals and their families who are afflicted with, or affected by, this debilitating disease.

"It was truly heart-warming to see such a tremendous turnout for this very important cause," said JJ Hrzich, director of sales and marketing for CJM Communities. "In fact, it was so successful, that it is going to become an annual event, and CJM was proud to be involved in helping to raise money for the many families and individuals in need of medial and financial assistance."

Participants enjoyed a brisk 3-mile walk throughout Mizner Park and the surrounding area, and afterwards, had some fun in the sun with music, refreshments, food and entertainment.

The Reach For The Stars Foundation is dedicated to providing those afflicted with Cystic Fibrosis, the resources and support necessary to mangle their battle with this disease.
